JAMES B. DUKE SAILS FOR LONG STAY ABROAD

Declares Government Action Has Not Depressed the Tobacco Company's Business.

COREY OFF TO LONDON

Former Head of Steel Trust Says He 'Doesn't Fear Reduced Tariff Tax

organizer and former President perican Tobacco Company, re-Missolved by a Government witt. on the Olympic at noon to-day for e four months' pleasure trip on the

Mr. Duke demed that any changes were pending it the Market American Tobacco Company, which is a branch of the American consern, and said his trip was for pleasure since. One of Mr Duke's business associates said he was combining pusiness and piscoure. Before sailing Mr. Duke told an Eve

busy with the reorganization of the American Tobacco Coupany to pay any attention to politics. ning World reporter he had been to "The reorganization progressed smooth-ly" said Mr. Duke. "About 20 per cent

of the stock has been exchanged and the reorganization is practically complete. "I can find no serious interruption of business so far that could be attributed to the interference of the Government with the American Tobacco Company's affairs. It is too soon, of course, to say what the general effect may be. I be lieve business on the whole is fairly good, and I do not believe the Presidential election makes much difference.

"The only thing that would make any difference would be any downward revision of the tariff. That is a think to be guarded against. While the tobacco bust ness is not affected directly by the tariff, and while, strictly speaking, we are indifferent in a v tare, change, our business would be a facted indirectly by the period of fine sold and commercial receion which would be sure to folwany reduction of the tariff."

The suite occupied by the Dukes was

ldam E. Corey, former President allenating the affections of her has for several months. balled on the Olympic. He will band that Mrs. Rose Meguin of Grand BANKRUPTS G. Will Mrs. Corey in London and wife re-

"There is no ground for the impression that the steel and from business is depressed," and Mr. Corey before salling. "So far as the volume of business three-shout the country is consciented, it is satisfactory in nearly all the live sexes. He builds coffures par the column of the live sexes. He builds coffures par time the live sexes the builds coffures par time who falled in June, 1999, with Habitities estimated at \$80.00, were to-day. nes, though the prices of many prod-

Until the demand reaches a level more closely corresponding to the pro-duction it is not likely that there will be a material improvement in prices The country need not apprehend a reduction of steel duties. The United States can produce steel as cheaply as any country in the world. The possibility of a commission appointed by the Government undertaking to equilate prices is, in my opinion, the most important question at this time. If the attempt is made it will result in a period of commercial chaos. The law of supply and demand will continue to regulate prices, just as it has always regulate prices, just as it has always

CHINATOWN "GUN MEN" CAUGHT WITH PISTOLS.

An Aid to Spotless Bath Tubs

It is easy to keep the bathtub clean and bright, when you know how. A solution of Gold Dust washing powder and warm water will quickly remove every particle of dirt. If any rough places or dark spots appear, these can be easily removed by sprinkling a little Gold Dust washing powder on a cloth and rubbing brigkly. The water basin and water closet can be kept perfectly bright if thoroughly cleaned with Gold Dust once a week. Gold Dust no only cleanses but sterllizes everything with which it comes in contact.

An Unprecedented

Player Piano Sale At Aeolian Hall

To-morrow morning-Washington's Birthday-between 9 A. M. and 1 P. M., fifty-two brand new Player Pianos, built by the makers of the world-famous Pianola, representing discontinued styles, are to be sold at far less than regular prices.

To-morrow—Washington's Birthday morning—Aeolian Hall will be open for four hours to afford the public an unparalleled opportunity to secure

past requests from patrons who are unable to visit Aeolian Hall during a business day.

regular trade, will be sacrificed to make room for new styles now coming through.

These Player Pianos Equal in Quality Instruments Sold Elsewhere at \$600. They Will Be Sold To-Morrow Morning Only for

Payable \$8 Monthly

With one of these superb Aeolian-built Player Pianos in your home you can play over 16,000 pieces of music-play with the correctness and feeling of a real pianist. A half hour's practice will make you familiar with the instrument, and you at once begin to experience the wonderful fascination of ACTUALLY PLAYING THE PIANO YOURSELF. Or in a moment you can change the instrument into a REGULAR

PIANO FOR HAND-PLAYING AND PRACTICE. And as such its TONE and ACTION equal any regular piano at \$350 you can buy.

These Player Pianos are brand new and irreproachable in musical quality and appearance. The reason—and the only reason—they are to be sacrificed is that they represent a style which will no longer be represented in our catalog. And the crowded condition of our warerooms makes it desirable to sell them all at once rather than hold them for ordinary disposal.

> This Wonderful Opportunity is for four hours only to-morrow morning, beginning at 9 A. M.

> A small down payment will give you immediate possession of one of these beautiful Player Pianos built by the foremost house in the music industry and leading Player specialists in the world. The balance may be paid at the rate of

> > Only \$8 per month
